The Official Guide to Pearson Test of English Academic

Intermediate – Advanced

www.pearsonpte.com

Pearson Test of English Academic (PTE Academic) is a new computer-based academic English language test that delivers real-life measures of test-takers' language abilities. Endorsed by the Graduate Management Admission Council® (GMAC®), *PTE Academic* delivers an authentic and accurate measure of academic English language proficiency.

The Official Guide to PTE Academic provides all of the most important information about the test.

Features:

- Explains the features, format, and scoring of *PTE Academic*, giving test-takers a clear idea of what to expect when they take the test.
- Covers a range of practical areas such as registering for the *PTE Academic* test.
- Practice questions are taken from the *PTE Academic* item bank and cover all item question types so test-takers can practice using authentic questions found nowhere else.
- Sample answers are actual student responses from field tests so test-takers can get a clearer idea of how their performance measures up. Scoring rubrics explain the criteria upon which responses are scored.
- An accompanying **CD-ROM** gives test-takers extensive practice with more than 200 new items written specifically for the *Official Guide*.
- Sample lesson plans and materials to develop *PTE Academic* test preparation courses are available to Professional Partners. To learn more about Pearson's Professional Partner program, visit www.pearsonpte.com/partners
- Free teaching notes are available with lesson ideas, for use with the *Official Guide*.

PTE Academic Speaking

Speaking skills

The speaking skills tested in PTE Academic include the following:

- speaking for a purpose (to repeat, to inform, to explain)
- reading a text aloud
- supporting an opinion with details, examples and explanations
- organizing an oral presentation in a logical way
- developing complex ideas within a spoken discourse
- using words and phrases appropriate to the context
- using correct grammar
- speaking at a natural rate
- producing fluent speech
- using correct intonation
- using correct pronunciation
- using correct stress
- speaking under timed conditions

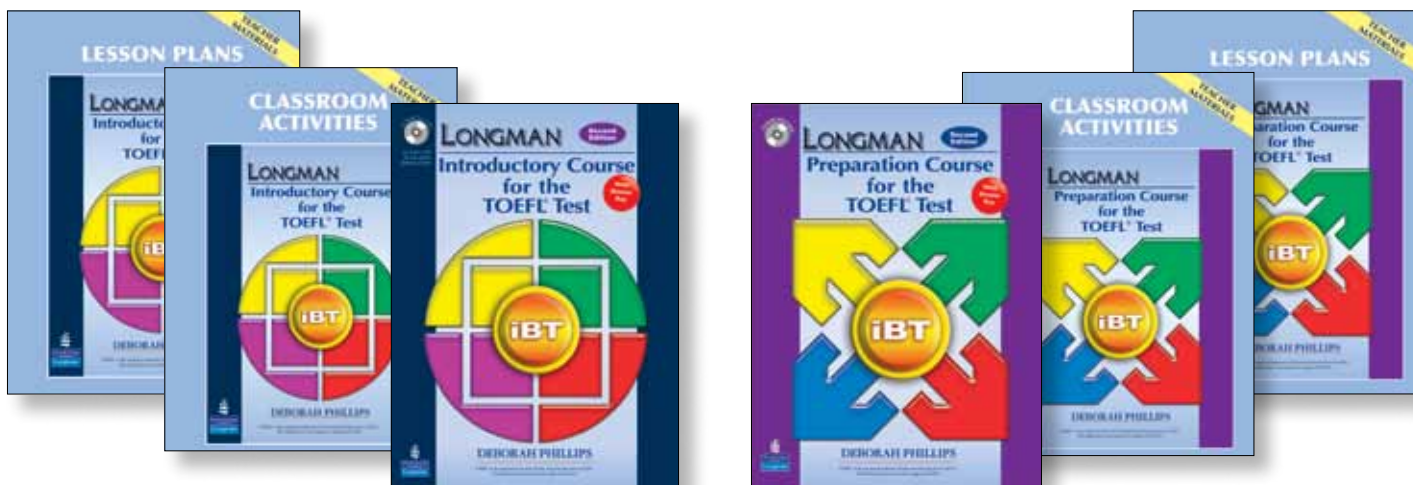

Overview

General speaking instructions are presented before Section 2 (speaking).

There are one or two status boxes on screen, depending on whether the item type involves listening. The audio status box shows how long until the audio or video recording starts and the progress of the recording while you are listening and/or watching. You can adjust the volume of the recording by moving the slider on the volume control. The recording status box lets you know

NorthStar Building Skills for the TOEFL® iBT

John Beaumont, Book 1

Helen Solórzano, Book 2

Linda Robinson Fellag, Book 3

Frances Boyd and Carol Numrich, Series Editors

In cooperation with ETS

Intermediate – Advanced

Pearson Longman and ETS combine their expertise in language learning and test development to create an innovative approach to developing the skills assessed in the TOEFL® iBT. **NorthStar Building Skills for the TOEFL® iBT** links learning and assessment with a skill-building curriculum that incorporates authentic test material from the makers of the TOEFL® iBT.

Each text features:

- Ten thematic units to develop academic skills in English while building test-taking confidence.
- Integrated-skill practice to develop critical thinking and communicative competence.
- Authentic TOEFL® iBT practice sets created by ETS especially for this series.
- Practical tips to sharpen test-taking strategies.
- **Teacher's Manuals** with evaluation tools to track students' progress and actual student responses (speaking and writing) at all score levels.

iTests

Intermediate – Advanced

www.iTests.com

iTests gives your students test practice for the TOEFL® or TOEIC® tests, as well as the PET, FCE, CAE, and IELTS. Practice tests follow the format of the exams, helping students know what to expect during testing. The website even offers exam information, general test-taking tips, memory tips, and common errors to help students prepare.

iTests are always available for learners' convenience. With automatic feedback and access whenever students want, **iTests** helps them to be well prepared, feel confident, and succeed on their tests.

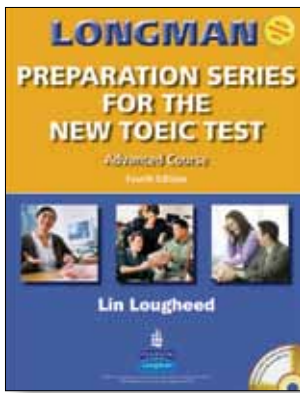

Features:

- Exam-style questions prepare students before they take the actual tests.
- Tests are available in practice (untimed) mode for maximum support or test (timed) mode for an authentic test experience.
- Automatic essay marking for select tests provides extra timed writing practice.
- Immediate scoring and review at the end of tests give students instant feedback.
- Progress charts help students to monitor their performance and identify areas of difficulty at a glance.
- Tests are available as a whole, in sections, or in parts, allowing students to focus on areas of difficulty and use their study time effectively.
